The board of directors of the Company (the "**Board**") is pleased to announce the publication of a prospectus (the "**Prospectus**") in relation to a share issuance programme of up to 40 million new Ordinary Shares and/or C Shares (the "**Placing Programme**").

The Placing Programme is being implemented to enable the Company to raise additional capital, should the Board determine that market conditions are appropriate. The Issue Price in respect of Ordinary Shares will be notified via an RNS announcement as soon as practicable in conjunction with each issue. C Shares issued under the Placing Programme will be issued at an Issue Price of £10 per C Share.

The terms and conditions which shall apply to any subscription for Issue Shares pursuant to the Placing Programme are set out in the Prospectus. The Placing Programme will conclude on 20 December 2019, unless terminated earlier by the Company.

The Prospectus will shortly be made available on the Company's website ([www.honeycombplc.com](http://www.honeycombplc.com)) and on the National Storage Mechanism at <http://www.morningstar.co.uk/uk/nsm>.

#### Information to Distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "MiFID II Productive Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any manufacturer (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Issue Shares have been subject to a product approval process, which has determined that such Issue Shares are: (i) compatible with an end target market of retail investors who understand, or have been advised of, the potential risk of investing in companies admitted to the Specialist Fund Segment and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**Target Market Assessment**").

Notwithstanding the Target Market Assessment, distributors should note that: the price of the Issue Shares may decline and investors could lose all or part of their investment; the Issue Shares offer no guaranteed income and no capital protection; and an investment in the Issue Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Issue. Furthermore, it is noted that, notwithstanding the Target Market Assessment, Liberum will, pursuant to the Placing Programme, only procure Placees who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Issue Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Issue Shares and determining appropriate distribution channels.

PRIIPS (as defined below)

In accordance with the Regulation (EU) No 1286/2014 of the European Parliament and of the Council of 26 November 2014 on key information documents for packaged retail and insurance-based investment products ("PRIIPs") and its implementing and delegated acts (the "PRIIPs Regulation"), the Company has prepared a key information document (the "KID") in respect of the Ordinary Shares. The KID is made available by the Company to "retail investors" prior to them making an investment decision in respect of the Ordinary Shares at <http://www.honeycombplc.com/documents/>.

If you are distributing Ordinary Shares, it is your responsibility to ensure that the KID is provided to any clients that are "retail clients".

The Company is the only manufacturer of the Ordinary Shares for the purposes of the PRIIPs Regulation and neither Liberum nor the Investment Manager are manufacturers for these purposes. Neither Liberum nor the Investment Manager makes any representations, express or implied, or accepts any responsibility whatsoever for the contents of the KID prepared by the Company nor accepts any responsibility to update the contents of the KID in accordance with the PRIIPs Regulation, to undertake any review processes in relation thereto or to provide the KID to future distributors of Ordinary Shares. Each of Liberum nor the Investment Manager and their respective affiliates accordingly disclaim all and any liability whether arising in tort or contract or otherwise which it or they might have in respect of the key information documents prepared by the Company. Investors should note that the procedure for calculating the risks, costs and potential returns in the KID are prescribed by laws. The figures in the KID may not reflect actual returns for the Company and anticipated performance returns cannot be guaranteed.

The Company will prepare and publish a key information document in respect of C Shares prior to the issue of any C Shares under the Placing Programme.
